RE: Petition

Tribal Chairperson and Tribal Council Representatives, as you are aware there was a petition turned in on me (March 20, 2007) for my removal as Secretary-Treasurer of Spirit Lake Tribe.

I verbally informed all of you in yesterday mornings meeting on March 20, 2007 that I was going to step down and resign from my position as Secretary-Treasurer for personal reasons, this was prior to the petition being turned in to the Tribal Office.

I am informing you the Tribal Council that I will not be stepping down, as I will not walk away from this petition on false accusations, I am also informing you, on my behalf and other Tribal Enrolled Members, I will be notifying the local and surrounding media for my hearing, as I feel ALL of Spirit Lake People need to know what is going on here today and also of the issues with the past administration.

Also, I would like to be notified immediately upon Tribal Councils decision, as I was not notified officially on the previous petition that was turned in on me (January 26, 2007), nor was it met on in a Tribal Council meeting to officially accept or deny the petition.

Should you have any questions, please feel free to stop by my office or call me at 766-1223.

Thank You.
